

DIRECTIONS: Take one to two capsules daily, or as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking medication or receiving cancer treatment should discuss potential interactions with their healthcare practitioner. Do not use if tamper seal is damaged.

EstroBal DIM Plus is an ideal combination of DIM (diindolylmethane) and truebroc™ (glucoraphanin) that helps protect estrogen-sensitive tissues by promoting healthy estrogen metabolism and supporting detoxification and neutralization of harmful estrogen metabolites and xenoestrogens.*
