

**Directions:** Take three capsules with breakfast and three capsules with lunch, or as directed by your healthcare practitioner.

**OsteoSure VG** is an advanced, professional grade, plant-sourced calcium and bone building formula exclusively available through healthcare professionals.\* In two human clinical studies, patients who supplemented with *Algas calcareas*, the main component of OsteoSure VG, along with proper diet and exercise, increased bone mineral density by up to 4.33% in just one year.\* The highly specialized plant calcium in OsteoSure VG is micronized to ensure optimal absorption by delivering the perfect particle size.\* It is a certified organic wholefood with over 70 naturally occurring trace minerals and phyto-nutrients. Since the calcium in this formula is an all-natural, GRAS certified, plant-derived wholefood, it does not have the potential negative effects on arterial calcification that non-food based calcium supplements have.\* Additionally, it has a proprietary, clinically effective plant-derived form of D<sub>3</sub>, instead of the most common source, lanolin (sheep's wool).\* D<sub>3</sub> is essential for bone health and intestinal calcium absorption.\* OsteoSure VG includes an all trans-natural, patented form of K2 as MK7, which has been shown in human clinical studies to increase osteocalcin (calcium-binding protein) levels, enhancing the body's ability to utilize calcium in the bloodstream.\* Patented Albion® Magnesium is included for its superior absorption compared to other forms such as magnesium carbonate.\* This formula contains a broad spectrum of other bone-supporting nutrients and utilizes a proprietary blend of AstraGin™ and BioPerine® the latest in advanced absorption technology, for maximum effectiveness.\*

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

This Formula Meets or Exceeds cGMP Quality Standards.

180 VEGETABLE CAPSULES

## Supplement Facts

Serving Size: 6 Capsules

Servings per Container: 30

	Amount	%DV†
Vitamin C (magnesium, potassium and calcium ascorbate blend)	60 mg	100%
Vitamin D-3 (cholecalciferol) (plant-derived)	2,000 IU	500%
Vitamin K2 (natural vitamin K2 as MK7††)	100 mcg	125%
Folate (6(S)-5-methyltetrahydrofolic acid, glucosamine salt*)	400 mcg	100%
Vitamin B-12 (methylcobalamin)	100 mcg	1,667%
Calcium (from <i>Algas calcareas</i> [AlgaeCal® Select])	800 mg	80%
Phosphorus (as dicalcium phosphate)	200 mg	20%
Magnesium (from di-magnesium malate, TRAACS® magnesium lysyl glycinate chelate and <i>Algas calcareas</i> [AlgaeCal® Select])	400 mg	100%
AstraGin™ Absorption Enhancer (notoginseng root extract and astragalus root extract)	25 mg	**
Silica (bamboo powder extract)	15 mg	**
Boron (as bororganic glycine)	3 mg	**
BioPerine® (from <i>Piper nigrum</i> /black pepper extract)	2.5 mg	**

† Percent Daily Values are based on a 2,000 calorie diet.  
\*\* Daily Value not established.

**Other Ingredients:** HPMC (vegetable capsule), AlgaeCal® Select (professional grade, certified organic and GRAS marine algae wholefood complex with over 70 naturally occurring trace minerals and phyto-nutrients), MCC (microcrystalline cellulose), rice flour, ascorbyl palmitate, silica.

**Free of:** Milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, soy.

**Caution:** Keep out of reach of children.

**Storage:** Keep tightly closed in a cool, dry place.
